

Rules for staying with pets

- 🐾 A maximum of 2 pets may stay in one room.
- 🐾 Specific rooms are allocated for guests with pets, and it is not possible to request a particular room or floor. Pets must be booked in advance; otherwise, accommodation cannot be guaranteed due to the limited number of suitable rooms. If you arrive with an unannounced pet, a double fee will be charged.
- 🐾 Pets must not disturb the peace of other guests, so please never leave them alone in the room. In case of repeated complaints about disturbance, a fee of CZK 1,000 may be charged for each incident.
- 🐾 Pets are not allowed to move freely around the hotel. Dogs must always be kept on a short leash and wear a muzzle (or be otherwise secured).
- 🐾 Accommodation is only possible for pets with proper hygiene habits. Please bring the vaccination card with a valid rabies vaccine.
- 🐾 Rooms with pets must be marked with the tag provided, placed on the door handle.
- 🐾 In rooms with pets, daily cleaning between 8:00 and 13:00 is mandatory. Please arrange the cleaning time in advance with the reception, so the pet is not present during cleaning.
- 🐾 For extra cleaning of the room or other areas soiled by a pet, a fee of CZK 3,000 will be charged.
- 🐾 Guests are responsible for any damage caused by their pets and must pay the full cost of the damage.
- 🐾 Please be considerate of allergy sufferers – pets are not allowed in beds. The hotel reserves the right to charge for bed linen used by pets.
- 🐾 For hygiene reasons, pets are not allowed in the Sport & Wellness Centre and in the BOHEMIA Restaurant.
